## REQUEST FOR QUOTATION

**No. PVEPNCS-26-10127**

**Issue to:**

<u>RFQ Date:</u>	<u>Closing Date:</u>	<u>Currency:</u>
<u>Delivery Date:</u>	<u>Quotation Validity (Days):</u> 120	<u>Delivery Terms:</u>
<u>Quotation Language:</u> English or Vietnamese	<u>Ship via:</u>	<u>Payment Terms:</u> by T/T within 45 days

**Shipping Instruction:**

PTSC Port.  
 65A, 30/4 Street, Rach Dua Ward,  
 Ho Chi Minh, S.R Vietnam.

**Reply to:**

PVEP-NCS Office  
 15th Floor - Victory Tower- 12 Tan Trao str, Tan My  
 Ho Chi Minh, Viet Nam

*PVEP-NCS hereby solicits a most competitive Quotation proposal from your esteem company in accordance with the following requirements*

**Scope of supply**

Line	Item	Description	Order Unit	Quantity	PR #
1		06-Month Service for Gas Lift Compressor as per scope of work on WHP DH01	SET	1	26-10296

**Special Conditions:**

- As SOW attached herewith.
- *Standard Terms & Conditions are specified in accordance with the attachment herein shall apply*
- *Your official Quotation Proposal shall be signed by duly authorized representative, stamped and reached to us not later than the Closing Date.*

**SCOPE OF WORK (SOW) 6-Month Preventive Maintenance Reciprocating Gas Compressor;**

Maker: Siemens Energy (Dresser Rand).

Compressor Model: 5HOS4 – 5.0” Stroke Type HOS

Configuration: (2) x 12.25” + (2) x 7.00” Cylinders

Service: Natural Gas (Gas Lift Application)

No.	List of service item	Note
<b>A</b>	<b>PURPOSE</b>	
	This document defines the scope of work for performing 6-Month Preventive Maintenance (PM) on a Reciprocating Gas Compressor to ensure	
<b>B</b>	<b>SAFETY &amp; PREPARATION</b>	
	The work will proceed after the following safety precautions have been completed.	Obtain Permit to Work (PTW)
		Perform full Lockout/Tagout (LOTO)
		Ensure complete system depressurization
		Carry out electrical and mechanical isolation
		Verify gas-free condition
		Provide required PPE and calibrated tools.
<b>C</b>	<b>MECHANICAL MAINTENANCE</b>	
<b>I.</b>	<b>Frame &amp; Crankcase</b>	
1.1	Drain & inspect lube oil condition	Check for metal debris in oil; Clean the lubricator reservoir and pump units as necessary or according to the manufacturer’s instructions;
1.2	Replace oil filter elements and lubricant oil.	Clean the lubricator reservoir and pump units as necessary or according to the manufacturer’s instructions; Refer to Manual Chapter 2.2.9
1.3	Inspect crankcase for contamination/sludge	Open inspection covers, Inspect crankshaft surface condition; Check the frame crankcase breather(s) and clean.
1.4	Check crankshaft end play	Note in report, compare with standard value
1.5	Inspect main bearings condition	Verify oil splash pattern
1.6	Check connecting rod bolt torque	Retorque accessible fasteners.
1.7	Inspect crosshead shoes wear pattern	Refer to Manual Chapter 4.9
1.8	Verify oil pump pressure & relief valve operation	Refer to Manual Chapter 4.5.1
<b>II.</b>	<b>Cylinders (02 x 12.25” &amp; 2 x 7.00”)</b>	
2.1	Remove & inspect suction valves	Inspect for: Valve plate wear or deformation, broken springs, seat leakage, carbon deposits. Clean or replace valve components if required.

2.2	Remove & inspect discharge valves	Inspect for: Valve plate wear or deformation, broken springs, seat leakage, carbon deposits. Clean or replace valve components if required.
2.3	Replace valve gaskets (if required)	If required
2.4	Measure valve lift	Note in report, compare with standard value
2.5	Inspect valve seat wear	Polish the surface (if required)
2.6	Check piston ring end gap	Note in report, compare with standard values (Chapter 4.14 in Manual)
2.7	Measure piston-to-head clearance	Replace cylinder head gaskets, if required.
2.8	Inspect cylinder bore condition	Note in report, compare with standard value (Chapter 4.13 in Manual)
2.9	Replace cylinder head gaskets , (if required).	If required
<b>III.</b>	<b>Packing &amp; Piston Rod</b>	
3.1	Inspect pressure packing leakage rate	Inspect piston rod surface condition. Make sure the piston rod is not scored, scratched or discolored. Check for adequate cylinder and packing lubrication. cylinders lubrication system sets at the maximum flow rate for break-in. Refer to Section 2-3.4 in Instruction Manual before reducing the flow rate.
3.2	Check packing case temperature	Inspect piston rings and rider bands
3.3	Measure piston rod runout	Note in report
3.4	Inspect rod surface scoring	Make sure the piston rod is not scored, scratched or discolored.
3.5	Replace packing rings if required	Replace worn components as required.
3.6	Lubricate all the variable volume clearance pocket (VVCP) packing grease fittings and check for free motion by moving the pocket in and out with the unit not operating; Reset the pocket to the correct clearance setting.	See CHAPTER 4 MAINTENANCE Section 4-19.2 in this Instruction Manual
<b>IV.</b>	<b>Lubrication System</b>	
4.1	Verify oil pressure at operating speed	
4.2	Check oil temperature	
4.3	Inspect force-feed lubricator pump	
4.4	Confirm oil distribution to cylinders	
4.5	Check drip rate to packing	
<b>V.</b>	<b>Safety Devices</b>	
5.1	Test high discharge pressure trip	
5.2	Test low oil pressure shutdown	

*Handwritten signature*

5.3	Inspect pressure relief valves	
5.4	Verify vent lines are clear	
5.5	Confirm all	
<b>VI.</b>	<b>Mechanical Integrity Before Restart</b>	
6.1	Bar compressor one full revolution (cylinders depressurized)	
6.2	Verify no abnormal mechanical resistance	
6.3	Inspect flywheel locking device	
6.4	Check coupling alignment	
6.5	Re-torque critical fasteners (No impact wrench)	
<b>D.</b>	<b>Measured Parameters Record</b>	
7.1	Running test and check the technical specifications of the equipment unit	Refer Item 3.5 Chapter 3 in Manual
7.2	Suction Pressure:	
7.3	Discharge Pressure:	
7.4	Stage Discharge Temperature:	
7.5	Oil Pressure:	
7.6	Oil Temperature:	
7.7	Vibration Level:	
<b>E.</b>	<b>6-MONTH PREVENTIVE MAINTENANCE CHECKLIST WITH PASS/FAIL SPEC</b>	
	See Attached File.	All the Inspection Item: Pass

*Handwritten mark*

## **Yêu cầu kỹ thuật 6-Month Service for Gas Lift Compressor on WHP DH01.**

### **1. Thông tin tóm tắt:**

1.1. Trên WHP DH01 sử dụng 01 cụm Gaslift Compressor dẫn động bằng Gas Engine Waukesha phục vụ công việc Gas lift trong quá trình khai thác dầu khí, tên gọi: Gas Lift Compressor (GLC).

Nhà sản xuất: DRESSER RAND (USA), hiện nay là SIEMENS ENERGY, MODEL HOS COMPRESSOR. Máy nén khí được dẫn động bởi động cơ GAS ENGINE WAUKESHA, thông qua Flexible Coupling.

1.2. Các thông số kỹ thuật chính của Gas Compressor như sau:

Maker: DRESSER RAND Now is SIEMENS ENERGY.

**TYPE:** 5.0" STROKE TYPE HOS NATURAL GAS RECIPROCATING COMPRESSOR,  
(2) 12.25" + (2) 7.00" x 5HOS4

**Unit Serial Number:**

S/N Frame: 5HF206

S/N Cylinders: 5HC508 / 5HC509 / 5HC510 / 5HC511

**Ratings and Performance Characteristics:**

Maximum Allowable Operating Rod Load: 60,000 lbs (27,200 kg) compression and tension

Maximum Allowable Gas Load (Internal): 69,000 lbs (31,300 kg)

Stroke: 5.00" (127.0 mm)

Maximum Speed: 1500 RPM

Minimum Loaded Speed: 500 RPM

Maximum BHP/Throw: 2 & 4 THROW: 1200 HP (895 kW)

Piston Rod Diameter: 2.500 in. (63.5 mm)

Standard Cylinder Sizes Available: 4.75 in – 28.00 in (120.6 mm – 711.2 mm)

Maximum Cylinder Working Pressures: 2750 psig – 185 psig (193.3 kg/cm<sup>2</sup> – 13.0 kg/cm<sup>2</sup>)

Direction of Rotation: Counter-clockwise viewing at the pump end.

1.3. Tình trạng hiện tại: Hiện tại máy nén Gas đang vận hành bình thường phục vụ sản xuất, đến nay đã đến thời hạn tiến hành Service sau 06 tháng làm việc.

**2. Mục đích của DV:** Nhà thầu cung cấp chuyên gia, nhân lực và dụng cụ chuyên dùng (special tools) để tiến hành thực hiện dịch vụ: Kiểm tra & thay thế các chi tiết/hạng mục (tình trạng kỹ thuật, hao mòn...) đến giới hạn sử dụng sau 06 tháng vận hành, đảm bảo thiết bị vận hành an toàn và tin cậy phục vụ sản xuất.

@. Phạm vi công việc của DV: Bao gồm (Minimum) và không giới hạn (Unlimited) theo bản phạm vi công việc - 04 trang đính kèm. Công việc tiến hành trên Well Head Platform DH01 (WHP DH01).

@. Chạy thử, nghiệm thu ghi nhận các thông số khởi động và vận hành trong thời gian 36 giờ. Lập biên bản nghiệm thu và bàn giao thiết bị đưa vào sử dụng.

**3. Phạm vi công việc:** Xem bản Phạm vi công việc (04 trang) đính kèm.

**4. Trách nhiệm của nhà thầu:**

4.1. Cung cấp nhân sự thực hiện DV bảo dưỡng máy Gas lift Compressor trên WHP DH01 (Bao gồm các công việc liệt kê trong SOW đính kèm). Ước tính huy động thực hiện công việc khoảng 07 ngày (01 chuyên gia và 03 công nhân kỹ thuật), cụ thể như sau:

1	Chuyên gia kỹ thuật (01 người làm việc 12 giờ/ngày)	Man/day	10
2	Kỹ thuật viên (04 người làm việc 12 giờ/ngày)	Man/day	40
3	Dụng cụ/ thiết bị chuyên dùng phục vụ kiểm tra và bảo dưỡng.	Lần	1,00

4	Standby: Ngày không làm việc trên Giàn, chờ Demob về bờ (chuyên gia)	Man/day	2,00
5	Standby: Ngày không làm việc trên Giàn, chờ Demob về bờ (kỹ thuật viên)	Man/Day	8,00
6	Mob/demob: Ngày nhân sự đi ra Giàn và ngược lại (chuyên gia)	Man/Day	2,00
7	Mob/demob: Ngày nhân sự đi ra Giàn và ngược lại (kỹ thuật viên)	Man/Day	8,00

4.2. Tiếp nhận thiết bị trên giàn WHP DH01, ghi nhận các thông số vận hành trước khi dừng máy – ghi vào báo cáo. Tiếp nhận và kiểm tra các phụ tùng cần thay thế do bên mời thầu cung cấp (danh mục 02 trang kèm theo), kiểm tra và sử dụng nếu cần.

4.3. Cung cấp các vật tư phụ, phục vụ cho quá trình làm việc kiểm tra và đo lường các thông số: Silicone, gasket, dây kẹp chì, đồ gá ...

4.4. Cùng với nhân sự giám sát của bên mời thầu lập báo cáo công việc hàng ngày (Daily Report).

4.5. Kết hợp với nhân sự bên mời thầu, tiến hành khởi động và chạy thử nghiệm thu thiết bị trong thời gian 12 giờ. Lập biên bản chạy thử - ghi lại các thông số như quy định trong SOW.

4.6. Bảo hành sau sửa chữa: 06 tháng tính từ thời điểm ký biên bản nghiệm thu.

#### **5. Trách nhiệm bên mời thầu (PVEP-NCS).**

5.1. Giới thiệu và bàn giao thiết bị theo quy trình cho nhà thầu. Cung cấp các thông số vận hành bình thường của thiết bị khi có yêu cầu. Cùng với nhà thầu lập biên bản bàn giao đưa thiết bị vào bảo dưỡng.

5.2. Tham gia giám sát quá trình thực hiện DV trên WHP DH01 (Daily report).

5.3. Cung cấp vật tư, phụ tùng thay thế trong danh mục đính kèm (01 trang). Cung cấp các dụng cụ cơ khí vạn năng (universal tools) và một vài dịch vụ cơ khí thông thường khác như hàn, tiện, phay, mài...

5.4. Cung cấp DV vận chuyển nhân lực của nhà thầu ra Giàn và ngược lại.

5.5. Kết hợp với nhà thầu thực hiện chạy thử, nghiệm thu, tiếp nhận và đưa vào vận hành.

**6. Thời gian thực hiện DV:** 11 ngày. Bao gồm 02 ngày Mob và De-mob, 02 ngày standby (chờ tàu), và 10 ngày thực hiện DV trên WHP DH01.

#### **7. Yêu cầu về năng lực của nhà thầu:**

7.1. Có kinh nghiệm sửa chữa/bảo dưỡng các loại thiết bị quay công suất lớn ( $\geq 350$  KW) cho ngành dầu khí ít nhất 05 năm (trình HĐ ký với End user tương tự trong 05 năm gần nhất).

7.2. Có chứng chỉ ISO 9001-2015 về dịch vụ kỹ thuật (bảo dưỡng, sửa chữa đại tu) các thiết bị trong ngành Dầu và Khí (Oil & Gas): Gas Compressor, Bơm, Gasturbine, Valves...

7.3. Chuyên gia kỹ thuật (chủ chốt) của nhà thầu có bằng cấp chuyên môn phù hợp. Có kinh nghiệm ít nhất 05 năm trong lĩnh vực bảo dưỡng, sửa chữa đại tu thiết bị quay công suất lớn trên giàn khoan (Gas Turbine, Gas Compressor ...). Có chứng chỉ đào tạo của hãng sản xuất máy nén Gas như: Ingersoll Rand, Dresser Rand .v.v... về bảo dưỡng, vận hành sửa chữa thiết bị.

7.4. Kỹ thuật viên tham gia dịch vụ - yêu cầu có bằng cấp đào tạo chuyên môn phù hợp, có kinh nghiệm ít nhất 05 năm trong các công việc bảo dưỡng và sửa chữa thiết bị cho ngành dầu khí.

**8. Tiêu chí đánh giá:**

Tiêu chí đánh giá là ĐẠT hay KHÔNG ĐẠT theo như YCKT của mục 3 nêu trên. Nhà thầu nào đáp ứng tất cả các yêu cầu trên là Đạt YCKT, không đáp ứng bất kỳ mục nào của các yêu cầu trên là Không đạt YCKT.

STT	Hạng mục đánh giá	Tiêu chí	Đánh giá
1	Năng lực của nhà thầu (kinh nghiệm trong dịch vụ thiết bị quay – theo Mục 7.1)	Bắt buộc	Đạt / Không Đạt
2	Nhân sự: Chuyên gia kỹ thuật (theo Mục 7.3)	Bắt buộc	Đạt / Không Đạt
3	Kinh nghiệm dịch vụ máy nén khí piston (Reciprocating Compressor) (cung cấp hợp đồng tương tự)	Bắt buộc	Đạt / Không Đạt
4	Hồ sơ năng lực công ty (chứng nhận ISO 9001:2015 trong lĩnh vực dịch vụ thiết bị dầu khí – theo Mục 7.2)	Bắt buộc	Đạt / Không Đạt
5	Bảo hành (theo Mục 4.6)	Bắt buộc	Đạt / Không Đạt
6	Thời gian giao hàng (theo mục 6): 11 ngày	Bắt buộc	Đạt / Không Đạt

## **PVEP-NCS'S GENERAL TERMS AND CONDITIONS FOR REQUEST FOR QUOTATION**

### **ARTICLE 1 - PREAMBLE**

- The SERVICE ORDER is issued by **Nam Con Son Petroleum Exploration Production Branch - PetroVietnam Exploration Production Corporation Limited** to SUPPLIER for the supply of SERVICES as specified herein and according to the Terms and Conditions of SERVICE ORDER.

### **ARTICLE 2 - DEFINITIONS**

1. "AFFILIATES" means any CLIENT which controls, or is controlled by, or which is controlled by an entity, which controls, a Party. For the purposes of this definition, "control" means the ownership directly or indirectly of more than fifty (50%) percent of the voting rights in a CLIENT.
2. "CLIENT" means Nam Con Son Petroleum Exploration Production Branch - PetroVietnam Exploration Production Corporation Limited or any its divisions, AFFILIATES so named in the SERVICE ORDER.
3. "SERVICES" means all works, services and obligations to be performed, provided or otherwise fulfilled by SUPPLIER pursuant to and in accordance with the Terms and Conditions of the SERVICE ORDER, including without limitation the work and services described in the SERVICE ORDER, together with any operations carried out in connection therewith, and the physical result of the performance of such work, services and obligations.
4. "SERVICE ORDER" means the SERVICE ORDER form this document and any other documents listed herein and shall constitute the entire agreement between the Parties and the appendices as may be amended by any special conditions referred to in the SERVICE ORDER.
5. "SPECIFICATIONS" means the specifications of equipment, supplies and materials to be supplied by SUPPLIER together with the relevant data or other information relating to SERVICES, the specifications shall constitute an integral part of the SERVICE ORDER.
6. "SUPPLIER" means the person(s), firm, company or entities named in the SERVICE ORDER to supply SERVICES hereinafter defined and shall include the SUPPLIER's legal personal representatives, successors and assignees.

### **ARTICLE 3 - TIME OF THE ESSENCE**

1. Time is of the essence with regard to SUPPLIER's performance under the Terms and Conditions of SERVICE ORDER. SUPPLIER shall begin performing SERVICES in accordance with the SERVICE ORDER and proceed diligently to complete SERVICES within the Terms and Conditions of SERVICE ORDER.
2. SUPPLIER (i) acknowledges and agrees that the Terms and Conditions of SERVICE ORDER is adequate for performance of the SERVICES, and (ii) understands that SUPPLIER's failure to complete the SERVICES within the Terms and Conditions of SERVICE ORDER will occasion loss and damage to CLIENT.
3. SUPPLIER shall give written notice to CLIENT of any anticipated delay. In case of actual or anticipated delay, CLIENT may terminate the SERVICE ORDER in manner as specified in the Article headed TERMINATION.
4. SUPPLIER shall be responsible for and bear all risks and relevant costs and damages and/ or loss caused to CLIENT arising out of or relating to SUPPLIER's breach of this Article.
5. SUPPLIER shall be responsible for any incremental installation cost and/ or transportation cost and/ or any other reasonable cost/ expenses resulting from late performance and/ or completion of SERVICES.

### **ARTICLE 4 - FORM OF SERVICE ORDER**

1. CLIENT shall not be liable for any orders or amendments other than those issued or confirmed on CLIENT's official printed SERVICE ORDER and any amendment thereto.
2. CLIENT may make changes in the SPECIFICATIONS or drawings, including additions to or deletions from the quantities of SERVICES originally ordered. If any such changes affect the amount due and/or the time of performance hereunder, an equitable adjustment shall be made as mutually agreed by SUPPLIER and CLIENT, to the amount due and/or the time of performance, as the case may be by the issuance of CLIENT's Change Order.
3. Authorized Change Order requests made after placement of SERVICE ORDER shall be priced properly justified and immediately submitted to CLIENT for approval. CLIENT reserves the right to accept or reject any or all requests.

### **ARTICLE 5 - DEFECTIVE OR DEFICIENT OF SERVICES**

1. If the performance of SERVICES is defective or deficient or SUPPLIER otherwise fails to perform SERVICES in accordance with the Terms and Condition of SERVICE ORDER (each such occurrence, a "Defect"), SUPPLIER shall, at its expense and within 48 hours' notice from CLIENT, correct any Defect and, to the extent incurred by CLIENT, pay or reimburse CLIENT for all labor and the actual delivered cost of all materials, equipment, and machinery required to correct the Defect. Any payments otherwise due to SUPPLIER shall be suspended until SUPPLIER corrects the Defect to CLIENT's satisfaction. If SUPPLIER fails to correct any Defect within 48 hours after receipt of written notice from CLIENT, CLIENT may, without prejudice to any other remedies CLIENT may have, (i) order SUPPLIER to stop performing any or all of the SERVICES, and/ or (ii) perform or reperform SERVICES, or engage a third party to do the same, with all costs incurred by CLIENT in connection with the performance or reperformance of SERVICES to be deducted from amounts otherwise payable to SUPPLIER. If amounts then or thereafter payable to SUPPLIER are insufficient to cover such costs, SUPPLIER shall pay the difference to CLIENT. If SERVICES are defective or deficient to the extent that it is not technically or economically feasible to correct such Defect, SUPPLIER shall be liable to CLIENT for all losses, damages, costs and expenses arising directly or indirectly from such Defect.
2. In case of SUPPLIER's failure under this Article shall be deemed a breach of the SERVICE ORDER and CLIENT reserves the right to terminate the SERVICE ORDER or refuse to accept SERVICES respectively.

### **ARTICLE 6 - EXPEDITING**

1. CLIENT or its appointed third party shall have the right to visit SUPPLIER's mill and plant and those of Sub-SUPPLIER(s) for expediting purposes at any time prior to the commencement of SERVICES. SUPPLIER and its Sub-SUPPLIERS shall provide access to their works at all times to CLIENT or its appointed third party. SUPPLIER's Sub-orders must carry a note to this effect.
2. Expediting of the SERVICE ORDER and SUPPLIER's Sub-orders by CLIENT or its appointed third party does not relieve Sub-SUPPLIER(s) from their responsibilities to ensure that all Sub-orders are delivered to SUPPLIER's works or plant by the due date.

**ARTICLE 7 - INSPECTION**

1. CLIENT or its appointed third party shall have the right to inspect, witness tests and survey the quality of SERVICES at SUPPLIER's and its Sub-Suppliers' plants at any time during manufacturing of SERVICES. SUPPLIER is required to provide every facility for such right to CLIENT or its appointed third party. SUPPLIER's Sub-orders to its Sub-SUPPLIER(s) shall carry a note to this effect. SUPPLIER's failure to instruct Sub-SUPPLIER(s) of the right to CLIENT or its appointed third party to make plant visit for Quality Assurance purposes at any time prior to the commencement of SERVICES may result in rejection of SERVICES manufactured at Sub-SUPPLIER(s)' plants.
2. SUPPLIER shall include in all orders to Sub-SUPPLIER(s) those SPECIFICATIONS included with the SERVICE ORDER, which governs the manufacturing, or testing of SERVICES produced by each Sub-SUPPLIER(s). Such SPECIFICATIONS, data or other technical description shall be available for review by CLIENT or its appointed third party at the Sub-SUPPLIER's facility.
3. Should any inspected or tested SERVICES fail to conform to the SPECIFICATIONS, CLIENT may reject them and SUPPLIER shall either replace the rejected SERVICES or make all the alternations necessary to comply SPECIFICATIONS requirements free of cost to CLIENT.
4. CLIENT shall reserve right to inspect, test and, where necessary, reject SERVICES after the commencement of SERVICES and shall in no way be limited or waived by reason of SERVICES having previously been inspected, tested and passed by CLIENT or its appointed third party prior to the commencement of SERVICES.
5. Nothing in this Article shall in any way release SUPPLIER from any warranty or other obligations under the SERVICE ORDER.

**ARTICLE 8 - SPECIFICATIONS CHANGES**

1. CLIENT must be advised of all changes in the SPECIFICATIONS or method of construction of SERVICES supplied before such changes are implemented. In the event of CLIENT accepting the change, a written approval will be sent to SUPPLIER.

**ARTICLE 9 - PAYMENT**

1. SUPPLIER shall submit its invoice after SERVICES has been completed by SUPPLIER. Unless otherwise stated in the SERVICE ORDER, CLIENT shall subject to any dispute over the invoice make payment within forty five (45) days after receipt of SUPPLIER's undisputed invoice. If the forty fifth (45th) day falls on a Saturday or Sunday or a gazette S.R. Vietnam public holiday, the next working day shall be deemed to be the due date of payment.
2. Payments in respect of disputed items may be withheld by CLIENT until the settlement of the dispute by mutual agreement. Payments made by CLIENT shall not preclude the right of CLIENT to thereafter dispute any of the items invoiced.
3. In the event that CLIENT disputes any items on a particular invoice, CLIENT shall only be entitled to withhold from payment the actual amount in dispute. If CLIENT disputes any items on an invoice, CLIENT shall inform SUPPLIER of the disputed item within forty five (45) days of the receipt by CLIENT of that particular invoice.
4. CLIENT shall be entitled to withhold payment if any of SUPPLIER's invoices which do not include sufficient supporting documentation required by CLIENT.
5. SUPPLIER shall advise CLIENT on its account details and/or any changes to its account details if any by an at least 15 days in advance notice. Should SUPPLIER fail to give such notice in due time to CLIENT, SUPPLIER shall bear all risks associated with wrong/incorrect money transfer made by CLIENT.

**ARTICLE 10 - TAXES AND DUTIES**

1. SUPPLIER shall be responsible to pay all taxes, duties, assessments, royalties, fees or other charges levied by any government authorities of S.R. Vietnam or any other countries on account of or in relation to or in connection with the SERVICE ORDER and SUPPLIER shall indemnify and hold CLIENT harmless from and against any liabilities arising out of due to failure of SUPPLIER to fulfill this obligation.
2. CLIENT shall have the right to deduct sums from monies due to SUPPLIER hereunder for the aforesaid payment as required by law. Such withholding shall relieve CLIENT of further obligation with respect to any amount withheld.

**ARTICLE 11 - SUSPENSION**

1. CLIENT shall have the right to suspend the SERVICE ORDER for the following reasons: (i) Force Majeure as specified in the Article headed FORCE MAJEURE; (ii) in the event of any complete or partial stoppage of the relevant projects of CLIENT; (iii) failure on part of SUPPLIER to perform any obligation as per the SERVICE ORDER. Such suspension shall remain in force until such time that the above reasons are no longer applicable or otherwise when waived in writing by CLIENT.

**ARTICLE 12 - TERMINATION**

1. CLIENT may terminate the SERVICE ORDER at any time by giving written notice to SUPPLIER. Upon receipt of such notice, SUPPLIER shall cease supply of SERVICES and CLIENT shall pay SUPPLIER a fair price with proper supporting evidences for any SERVICES performed at the date when such notice is given. In case of such termination, SUPPLIER shall (i) use its best endeavors to effect the immediate cancellation of orders which it may have placed with others and discontinue all works of SERVICES, and (ii) upon CLIENT's request, deliver to CLIENT any or all the work, drawings, SPECIFICATIONS, data sheet and other matters that SUPPLIER may have prepared for the performance of SERVICES and all materials, supplies and equipment paid for by CLIENT either directly or in directly, and CLIENT shall have the right to make use of same for such purposes as CLIENT may desire, and (iii) not be entitled to any prospective profits or incidental, indirect, consequential or other damages because of termination.
2. In the event the CLIENT terminates the CLIENT ORDER in whole or in part in any of the following cases: (i) SUPPLIER's failure to meet the timing as specified in the Article headed TIME OF THE ESSENCE, (ii) SUPPLIER's failure to performance and/ or complete SERVICES as specified in the Article headed DEFECTIVE OR DEFFICIENT OF SERVICES, SUPPLIER shall compensate CLIENT for all losses and/ or damages arising from such SUPPLIER's breach of SERVICE ORDER and shall pay to CLIENT the agreed and liquidated damages as stipulated Article headed LIQUIDATED DAMAGES. Payment for all compensation and agreed and liquidated damages shall be made to CLIENT within 10 (ten) days upon the CLIENT's first written request.

**ARTICLE 13 - STANDARDS AND MATERIALS**

1. SUPPLIER shall perform SERVICES in a thorough and workmanlike manner and to the satisfaction of CLIENT.
2. All workmanship, parts, materials, equipment and machinery furnished by SUPPLIER in connection with SERVICES must be of good quality, and new. SUPPLIER shall repair, or remove and replace, at SUPPLIER's own expense and at CLIENT's convenience, all workmanship, parts, materials, equipment or machinery that prove to be defective at any time within one year following satisfactory completion of SERVICES.

**ARTICLE 14 - HEALTH, SAFETY AND ENVIRONMENT (HSE)**

1. SUPPLIER shall be responsible for the HSE of all persons engaged in the performance of SERVICES and all persons who may be affected by activities of SUPPLIER and shall comply with all the HSE regulations and procedures.

**ARTICLE 15 - WARRANTY**

1. SUPPLIER represents, warrants and agrees that SERVICES performed by SUPPLIER shall be conducted and completed in conformity with all requirements of the Terms and Conditions of SERVICE ORDER and in a manner that complies with all the applicable laws, regulations, ordinances and codes.
2. CLIENT's inspecting, testing, witnessing tests, paying invoices or issuing any final acceptance shall not relieve SUPPLIER from its obligations set forth in this Article.

**ARTICLE 16 - LIABILITIES AND INDEMNITIES**

1. SUPPLIER shall be responsible for and shall protect, indemnify and save CLIENT harmless from and against any claims, demands and causes of action for damage to any property as well as death of and/or personnel injury to any person arising out of the act or omission to act, negligent or otherwise, of SUPPLIER, SUPPLIER's employees and SUPPLIER's agents in connection with the execution of the SERVICE ORDER.
2. SUPPLIER shall be liable for, indemnify and hold CLIENT (including CLIENT's officers, directors, employees or agents), harmless from all damages, claims, losses, expenses and/or reasonable attorneys fees including, but not limited to, suits or claims for damages for death, human bodily injury or other property resulting from any defects of SERVICES even if the quality of SERVICES conforms to the SPECIFICATIONS and has passed the inspection by CLIENT.

**ARTICLE 17 - LIMITATION OF LIABILITY**

1. Neither Party shall be liable to the other for any indirect or remote losses of any kind or for damages for loss of anticipated revenue or profits, nor any special, punitive, exemplary or consequential damages, including, but not limited to, loss of SERVICES, cost of capital, cost incurred in connection with labor, overhead, general administrative, transportation, substitute facilities, support sources or other similar damages.

**ARTICLE 18 - INSURANCE**

1. SUPPLIER shall procure and maintain, from an insurer acceptable to CLIENT, the insurance coverage described in this Article, as such coverage requirements may be modified by any additional or different coverage set forth in the SERVICE ORDER. Such insurance is to be primary with respect to any other similar insurance available to CLIENT, regardless of the provisions of such insurance, and is to name CLIENT and its AFFILIATES as additional insureds; provided, however, that any insured coverage, including, but not limited to, any additional insured coverage, will not include coverage to the extent that it constitutes a prohibited indemnity agreement under applicable law. All policies on which CLIENT and its AFFILIATES are additional insureds must include waivers of subrogation by the insurers in favor of CLIENT and its AFFILIATES. Prior to commencement of SERVICES, SUPPLIER shall furnish to CLIENT certificates and additional insured endorsements evidencing the specified insurance. If requested by CLIENT, SUPPLIER shall furnish to CLIENT certified copies of the insurance policies themselves. Such certificates must provide that at least 30 days' prior written notice of any policy cancellation or material change be given to CLIENT. Any losses, whether or not covered by the insurance described in this Article or within the deductible of such insurance, shall be the responsibility of SUPPLIER to the extent that such losses are covered by the provisions of Article headed LIABILITIES AND INDEMNITIES or any other provision of the Terms and Conditions of SERVICE ORDER.
2. SUPPLIER shall procure and maintain: (i) Workmen's Compensation Insurance covering personal injury to or death of the employees of the SUPPLIER engaged in the performance of SERVICES to the minimum value required by any applicable legislation including extended cover (where required) for working onshore and/ or offshore or such greater sum not less than one million US dollars (US\$1,000,000) per any one occurrence and unlimited in the aggregate; (ii) Public Liability Insurance for any incident or series of incidents covering the operations of SUPPLIER in the performance of SERVICES, in an amount not less than five million US dollars (US\$5,000,000) per any one occurrence and unlimited as to the number of claims in the period of insurance; (iii) any other insurance(s) which may be required CLIENT in the SERVICE ORDER or by law.

**ARTICLE 19 - LIENS AND CLAIMS**

1. SUPPLIER shall indemnify and hold CLIENT harmless from all liens, claims, assessments, fines and levies created, caused or committed by SUPPLIER or by its Sub-SUPPLIER(s) and all costs, damages and expenses incidental thereto, including without limitation all court and arbitration costs, attorney's fees and other reasonable expenses.

**ARTICLE 20 - FORCE MAJEURE**

1. Neither SUPPLIER nor CLIENT shall be liable to other Party for any breach of the Terms and Conditions of the SERVICE ORDER where such breach occurs as a result of a Force Majeure.
2. The events falling within Force Majeure include but are not limited to Acts of God or force of nature, landslide, lightning, earthquake, flood, fire, explosion, storm or storm warning tidal wave, shipwreck and perils to navigation, act of war (declared or undeclared) or public enemy, strike act (excluding strikes, lockouts or other industrial disputes or action solely amongst employees of SUPPLIER or its sub-SUPPLIER(s) or omission of sovereign states or those purporting to represent sovereign states, blockade, embargo, quarantine, public disorder, sabotage or similar events beyond the control of the Parties or either of them. Force Majeure shall exclude financial distress on the part of SUPPLIER or its sub-SUPPLIER(s).
3. Subject to the above, a Party claiming the benefit or protection of this Article, without delay, takes all reasonable steps to remove its inability to comply with the provisions of the SERVICE ORDER.

**ARTICLE 21 - AMENDMENTS**

1. CLIENT and SUPPLIER shall mutually agree in writing to any amendments to the SERVICE ORDER. In the event of any conflict or inconsistency between the Terms and Conditions of the SERVICE ORDER and the attachments to the SERVICE ORDER, the Terms and Conditions of SERVICE ORDER shall prevail.

**ARTICLE 22 - ASSIGNMENT AND SUBCONTRACTING**

1. CLIENT shall not be liable for any orders other than those issued or confirmed on the CLIENT's official written SERVICE ORDER or any amendment thereto. SUPPLIER shall not assign or subcontract any part of the SERVICE ORDER, without the prior written approval of CLIENT. Un-priced copies of any such orders should be supplied to CLIENT on request. SUPPLIER shall procure for CLIENT the right to enter the sub-contractor's premises for the purpose of expediting and inspection.

**ARTICLE 23 - CONFIDENTIALITY**

1. Any SERVICE ORDER placed by CLIENT shall be treated as confidential and in particular SUPPLIER shall not make use of CLIENT's name or the name of any companies associated with CLIENT for publicity purposes without the prior written consent of CLIENT. Furthermore, all designs, drawings, SPECIFICATIONS and information which may be supplied in connection with the SERVICE ORDER are confidential and must only be used for the purpose of the SERVICE ORDER.
2. No public statements, announcements or circulars regarding the SERVICE ORDER or the activities of the Parties relating thereto shall be made or issued by or on behalf of SUPPLIER without the prior written approval of CLIENT.

**ARTICLE 24 - PATENT INDEMNITY**

1. SUPPLIER shall indemnify CLIENT against any claim of infringement of patents, registered designs or other rights which arise as a result of the sale or use of SERVICES supplied by SUPPLIER. This indemnity shall not extend to instances in which SERVICES concerned have been supplied to CLIENT.
2. SUPPLIER is obliged to secure that the ownership rights to SERVICES are not disputed by a third party. In case there is any dispute by a third party, SUPPLIER shall take side with CLIENT in order to protect CLIENT's interests. If the third party is entitled to own part or the whole of SERVICES, CLIENT shall be entitled to cancel the SERVICE ORDER and SUPPLIER shall compensate CLIENT for all damage including, but not limited to the refund of SERVICE ORDER price, liquidated damage, legal cost, and attorney fees.

**ARTICLE 25 - VENDOR DATA REQUIREMENTS AND SUBMITTAL**

1. Drawings and vendor data are to be submitted in strict compliance with the SPECIFICATIONS. If for any reason, the transmission of drawings and vendor data shall be delayed, CLIENT is to be informed immediately in writing, giving reason in for such delay. All drawings and vendor data shall be delivered to CLIENT by hand or through courier service. All preliminary, intermediate and final drawings and vendor data to be furnished shall be subjected to expediting by CLIENT or its appointed SUPPLIER.

**ARTICLE 26 - LIQUIDATED DAMAGES**

1. Should SUPPLIER fail to (i) meet the timing as specified in the Article headed TIME OF THE ESSENCE and/ or (ii) performance and/ or complete SERVICES as specified in the Article headed DEFECTIVE OR DEFFICIENT OF SERVICES, SUPPLIER shall have to pay CLIENT the agreed and liquidated damages at the rate of 2 % (two percent) of the SERVICE ORDER value per week of delay in performance or in replacement or repair up to maximum of 8% (eight percent) of the SERVICE ORDER value.
2. The rate of agreed and liquidated damages is not subject to any alteration by Arbitration or any third parties. The amount of agreed and liquidated damages may be deducted by CLIENT from SUPPLIER's Invoices while effecting the payment. Should CLIENT fail to deduct the sum of money of agreed and liquidated damages from the SUPPLIER's Invoice, SUPPLIER shall have to pay it immediately but not later than ten (10) days upon the CLIENT's first written request.

**ARTICLE 27 - SPECIAL CONDITIONS**

1. Where special conditions are set forth on the front of the SERVICE ORDER, those conditions shall apply equally with the general conditions shown above except that where there is any inconsistency between the general and special conditions the special conditions shall apply.

**ARTICLE 28 - APPLICABLE LAW AND ARBITRATION**

1. The SERVICE ORDER and all questions concerning its formation, validity, interpretations and performance shall be governed under the Laws of the S.R. Vietnam.
2. Any disputes arising out of or in connection with any SERVICE ORDER which could not be settled through negotiation between the two Parties shall be finally settled by the Vietnam International Arbitration Center (VIAC) besides Vietnam Chamber of Commerce and Industry (VCCI) under VIAC Arbitration Rules for final settlement. The place of Arbitration shall be in Ho Chi Minh City, Vietnam. The Arbitral Board shall be three (3) arbitrators and the language of Arbitration shall be English. The costs of Arbitration shall be borne by the losing Party. The award made in accordance with the provisions of this Article shall be final and binding upon two Parties.

**ARTICLE 29 - LANGUAGE**

1. All documents produced by SUPPLIER in the performance of the SERVICE ORDER as well as all written communications between CLIENT and SUPPLIER shall be written in the English language which is hereby designated the governing language of the SERVICE ORDER. SUPPLIER and CLIENT may use any language within their own organizations, except that all Sub-contracts and all written communications pertaining to them shall be in English.

**ARTICLE 30 - ENTIRE AGREEMENT**

1. The Terms and Conditions set out herein, together with any subsequent amendments made in accordance with Article headed FORM OF SERVICE ORDER and any and all designs, drawings, SPECIFICATIONS and information which may be supplied in relation to the SERVICE ORDER represent the entire Terms and Conditions of the SERVICE ORDER between CLIENT and SUPPLIER. Failure of either Party to enforce any of the Terms and Conditions of the SERVICE ORDER shall not prevent a subsequent enforcement of such Terms and Conditions or be deemed to be a waiver of any subsequent breach. Should any provision of the SERVICE ORDER, or a portion thereof, be unenforceable or in conflict with governing country, state, province, or local laws, then the validity of the remaining provisions, and portions thereof, shall not be affected by such unenforceability or conflict, and the SERVICE ORDER shall be construed as if such provisions, or portion hereof, were not contained herein.
2. None of the provisions of the SERVICE ORDER shall be considered waived by CLIENT, except when waived explicitly in writing and notified to SUPPLIER. No such waiver shall be, or shall be construed to be, a waiver of any past or future default or breach, nor constitute a modification of any of the terms, provisions, conditions, or covenants of the SERVICE ORDER, except as expressly stated in such waiver.

**BID SUBMISSION FORMAT FOR  
PROVISION 6-MONTH SERVICE FOR GAS LIFT COMPRESSOR ON WHP DH01

## **2. SUBMISSION OF PROPOSAL**

2.1 Technical Unpriced (Technical) and Priced (Commercial) shall consist of:

- a) **One (1) original and one (1) copy** of each part wrapped separately and clearly marked with the word "TECHNICAL UNPRICED" or "COMMERCIAL PRICED" on the cover of the respective wrapping and All put together in one (1) big package with title in item 2.7.
- b) (Not applicable for this RFQ) 01 native copy containing Technical Unpriced (Technical) and 01 native copy containing Priced (Commercial) with label having BIDDER name, Tender title and number (if any). The native copy shall be wrapped and sealed separately and marked with the word "**UNPRICED PACKAGE**" or "**PRICED PACKAGE**" on the covers of the packages. The soft Proposal documents shall be in native file format (Microsoft Word® and Microsoft Excel®).

In the event of discrepancy between the original set and the copies, the original set shall prevail.

2.2 BIDDER shall ensure that all proposals or submissions to CLIENT, pertaining to the enquiry are properly sealed and that the cover of each package is clearly marked in **bold letters** with the following wordings:

- (a) RFQ number and the title.
- (b) BIDDER's name and return address.
- (c) "TECHNICAL UNPRICED PACKAGE" or "PRICED PACKAGE".
- (d) "PRIVATE AND CONFIDENTIAL"

2.3 **All communications and correspondence with regard to RFQ and clarification shall be made to the following address:**

**NAM CON SON PETROLEUM EXPLORATION PRODUCTION BRANCH -  
PETROVIETNAM EXPLORATION PRODUCTION CORPORATION LIMITED**

15<sup>th</sup> Floor, Victory Tower  
12 Tan Trao Street, Tan My Ward  
Ho Chi Minh City, S.R Vietnam  
Tel: (84-28) 37762222 Fax: (84-28) 38721079  
Attention : **Contract & Procurement Manager**

All communications with regard to bid clarifications shall be made in writing and must indicate the RFQ number and title and send to the address given above. Such bid clarifications shall reach the address given above **at least five (05) days** prior to the Bid Closing Date. CLIENT shall preserve the right not to response to bid clarifications received later than the above mentioned time.

*For any further information, please contact via email [huongntl@pvep.com.vn](mailto:huongntl@pvep.com.vn).*

**Submission of Quotation Proposal shall be made to the following address:**

**NAM CON SON PETROLEUM EXPLORATION PRODUCTION BRANCH -  
PETROVIETNAM EXPLORATION PRODUCTION CORPORATION LIMITED**

15<sup>th</sup> Floor, Victory Tower  
12 Tan Trao Street, Tan My Ward  
Ho Chi Minh City, S.R Vietnam  
Tel: (84-28) 37762222 Fax: (84-28) 38721079  
Attention : **Contract & Procurement Manager**

- 2.4 BIDDER is strongly advised to deliver the proposals by hand in order to assure timely receipt by CLIENT. If BIDDER elects to mail the proposal, BIDDER is advised to use a fast and reliable delivery service e.g. courier. BIDDER should advise CLIENT by fax the date on which the proposal was mailed and details of the delivery service (if applicable).
- 2.5 Responsibility for timely delivery of the proposals to the correct address rests fully with BIDDER. CLIENT does not accept late bids submission. Delivery to the wrong address/E-mail address shall not be an excuse for late delivery.
- 2.6 BIDDER must ensure that the proposal is delivered to the address given in Item 2.3 above no later than the **bid closing date specified on the website “[muasamcong.mpi.gov.vn](http://muasamcong.mpi.gov.vn)” for this RFQ, LATE BIDS WILL NOT BE ENTERTAINED.**
- 2.7 BIDDER’s proposal shall be submitted in a **separate sealed envelope or package** bearing the name of your company, clearly addressed and marked on the outside as follows:

**"STRICTLY CONFIDENTIAL"**

**PROVISION 6-MONTH SERVICE FOR GAS LIFT COMPRESSOR ON WHP DH01**

**RFQ No.: PVEPNCS-26-10127**

- 2.8 Bid Proposal as well as all correspondences and documents relating to the RFQ exchanged by BIDDER and CLIENT shall be written in English. Supporting documents and printed literature furnished by BIDDER may be in another language provided they are accompanied by an accurate translation of the relevant passages in English, in which case, for purposes of interpretation of the Bid Proposal, the translation shall govern.
- 2.9 Proposal by BIDDER shall be binding for a minimum period of **120 calendar days from the**

**Bid Closing Date.** BIDDER may assume that the award for Contract will be made within 120 calendar days from the Bid Closing Date and BIDDER can assume that it has not been successful if no notification is received within the bid validity period. BIDDER shall state the precise date of validity in the proposal. CLIENT shall be entitled to request BIDDER to extend Bid Validity for maximum of 60 calendar days (if any) without any BIDDER's exception.

- 2.10 The proposed CONTRACT PRICE shall indicate whether it is inclusive of Vietnamese taxes (VAT, CIT, etc.) or not. In the event that the quoted prices do not specify this, they shall be treated as inclusive of all taxes.

### **3. ACCEPTANCE**

- 3.1 CLIENT may, at CLIENT option, reject all proposals received or may accept any proposal which, in CLIENT's sole judgment, is the most advantageous to CLIENT. CLIENT reserves the right to accept or reject all or part of the proposal at CLIENT's discretion and will be under no obligation to explain the reasons thereof.
- 3.2 CLIENT reserves the right to award the CONTRACT at its own discretion.  
Award strategy: Single Award
- 3.3 CLIENT shall not be deemed to have accepted all or any part of a proposal unless and until a written acceptance is issued.
- 3.4 Any award as a result of this RFQ will be through a properly executed contract issued by CLIENT. Prior to this, CLIENT may send the BIDDER a Letter of Award in order to initiate immediate placement of order. Upon receipt of the Letter of Award, BIDDER shall proceed immediately with the work mentioned in the Letter of Award.
- 3.5 Bidder with any contract performance failure record with PVEP-POC within 24 previous months from the date of issuance of this RFQ shall be excluded from the bidding of this RFQ. BIDDER participating in bid must be legally and financially independent with Investor and/or Procuring Entity. Failure to comply with such a requirement may be considered as disqualifying.

### **4. PAYMENT**

- 4.1 Payments shall be made in accordance to **Article headed as INVOICING AND PAYMENT** of Contract Form attached hereto.
- 4.2 Any proposal on progress payments shall be based on "value received" or verifiable milestones and not merely the passage of time and not for merely placing the Contract.

**END OF SECTION**

**PROPOSAL LETTER FORM**

*Letterhead of BIDDER*

Date:

To **NAM CON SON PETROLEUM EXPLORATION PRODUCTION BRANCH-  
PETROVIETNAM EXPLORATION PRODUCTION CORPORATION LIMITED**

Attn: Director

**Subject:** .....

RFQ No.: PVEPNCS-26-.....

Dear Sir

We, the undersigned, certify that we have read and understood the subject Invitation to Bid and all documents forming the Bid Document.

We acknowledge that we have thoroughly investigated, or have had the opportunity to do so, and satisfied ourselves as to all conditions affecting the GOODS and all necessary information as to risk contingencies and all circumstances influencing and affecting this Bid Document.

We offer to supply the GOODS as detailed in the Bid Package for the prices stated in our Proposal attached hereto. This offer is **valid until 120 days** from the date fixed for submitting same and shall be binding upon us and may be accepted at any time before the aforesaid date.

If our proposal is accepted, we undertake that, unless and until a formal CONTRACT is prepared and executed, this Bid Proposal, together with your written acceptance shall constitute a binding contract between us.

Yours faithfully
